

PA WILDS POP-UP MARKETPLACE

40 YEARS HAVE PASSED since the home that painter Genevieve Walker Crary and her husband, photographer and philanthropist CJ Crary, shared became the Crary Art Gallery — a dynamic cultural center in the PA Wilds. We are celebrating this milestone with a special exhibit of their works and private collection, opening August 18, featuring unique pieces never shown to the public before.

On Saturday, August 26, we will hold an open house celebration with an outdoor pop-up marketplace for vendors, music, demos and more on the beautiful grounds surrounding the Crary.

JOIN THE CELEBRATION!

PA Wilds Cooperative members are invited to set up a booth and sell their goods in the beautiful courtyard and lawn area at the Crary from 12-6 on August 26. Set up between 8 and 11 am. Space is limited. First come first served. A nominal commitment fee of \$20 is due by August 1st.
